## Introduction

Balázs Juhász individual entrepreneur (further details on the agreements in writing and on the issued invoices, hereinafter: „Service provider” or „Data handler”) as a data handler acknowledges the contents of present legal statement obligatory for himself. He commits that each data handling related to his activity meets the requirements in present regulation and the current legislation.

The law 2011/CII/20. § (1) about the informational self-determination and about the freedom of information states that the affected (in this case the visitor of this website, hereinafter: „User”) should be informed obviously and detailed before data handling about all facts related to data handling, thus in particular about the goal and the claim of data handling, about the person who is entitled to handle and process data, about the period of data handling.

Personal data is collected and handled properly, according to law.

Our newsletters aren't sent with DM intent typically, they serve information primarily. User can unsubscribe from the mailing list at any time.

Data is stored safely.

Data is given to Third Party only with contribution and only in the necessary extent (e.g. invoice data).

Information will be given for everyone about the data stored about him / her if (s)he requests it in writing to [hangrozsa@zongoraiskola.info](mailto:hangrozsa@zongoraiskola.info).
